Please use this form to change the financial intermediary and/or financial representative information on your Putnam account(s). A financial intermediary is the broker-dealer, bank, or other financial institution through which you purchase shares of the Putnam Funds. The financial representative is the person associated with the financial intermediary who is assisting you with your investments.

Complete the information requested in Sections 1, 2, and 3 and then forward this authorization to your new financial intermediary. Your new financial intermediary must complete Section 4 and return the form to Putnam Investor Services. Your account(s) will then be updated to reflect the change. All accounts under the social security number(s) or tax identification number(s) provided will be updated with the financial intermediary information indicated. For accounts with multiple owners/trustees/authorized parties, all individuals must sign Section 3.

All references herein to the singular (i.e., "I" or "my") include the plural as applicable.

Section 2 Financial intermediary election

- I do not wish to have a financial intermediary designated on my accounts at this time.
- I wish to designate the financial intermediary listed in Section 4 to my accounts (the financial intermediary must complete and sign Section 4).

Note: You may designate a financial intermediary at any time by returning a signed Financial intermediary change request to Putnam Investor Services. Putnam Retail Management Limited Partnership (PRM) will be designated as the default broker-dealer of record on your account(s) and will retain all applicable sales charges if any of the following apply:

- You elect not to designate a financial intermediary.
- The broker-dealer firm or financial institution you designate does not have a selling agreement with PRM.
- An authorized representative of the broker-dealer firm or financial institution you designate does not sign in the financial intermediary information section.

Please note that PRM is not a full service broker-dealer and does not provide investment advice. As default broker-dealer, PRM cannot assist you with financial planning or provide recommendations, services that are provided by a financial intermediary. If you wish to receive such services, you must designate a financial intermediary.

Federal law requires PRM to obtain and verify the full name, residential or business address, Social Security or tax identification number, and date of birth for each registered owner of an account for which PRM becomes the default dealer of record. For certain entities such as trusts, estates, corporations, partnerships, or other organizations, additional documentation may be required. If PRM does not have sufficient information to verify your identity, or if PRM is unable to verify any information already on file with the Fund or Putnam Investor Services, PRM may be required to reject any additional investments into your account(s).
