

Kaitlin M. May

*Head of Global Institutional Management
Putnam Investments*

Ms. May is Head of Global Institutional Management and reports directly to Putnam President and CEO Robert L. Reynolds. She oversees Putnam's institutional asset management business, which serves investors and clients in North America, Europe, Asia, and Australia. In addition, Ms. May is Chief Operating Officer of 37 Capital, where she is responsible for strategic planning, product development, and operations. She joined Putnam in 2019 and has been in the investment industry since 1997.

Prior to joining Putnam, Ms. May held a variety of leadership roles at Apollo Global Management, which included Chief Operating Officer, Head of Structuring and Product Creation, and Product Specialist within the Global Client and Product Solutions group, from 2010 to 2019. Prior to Apollo, she was the Chief Operating Officer of Citi Property Investors from 2004 to 2010 and an Associate in the Strategy and Business Development Group at Citigroup from 2002 to 2004. Ms. May began her career as a Financial Analyst in the Financial Institutions Group of Salomon Smith Barney's Investment Banking Division from 1997 to 2000.

Ms. May earned an M.B.A. from Stanford Graduate School of Business and a B.A. in Genetics, Cell, and Developmental Biology from Dartmouth College.
